

7 TIPS FOR AVOIDING HUMAN TRAFFICKING

Keep these tips in mind throughout your journey

1

NEVER LET GO OF YOUR DOCUMENTS

Don't let anyone keep them. If they take your documents, they can take your freedom.

2

TOO GOOD TO BE TRUE

Hesitate every time you are offered to earn money easily: exploiters deceive you with proposals that sound very attractive.

3

SUSPICIOUS LOANS

Do not trust strangers who offer you a loan: the "borrowed" money may force you to perform activities against your will.

4

WEIRD INTERVIEWS

Be aware when job interviews require lightly dressed photos - don't fall into the trap!

5

PROTECT YOUR CHILDREN

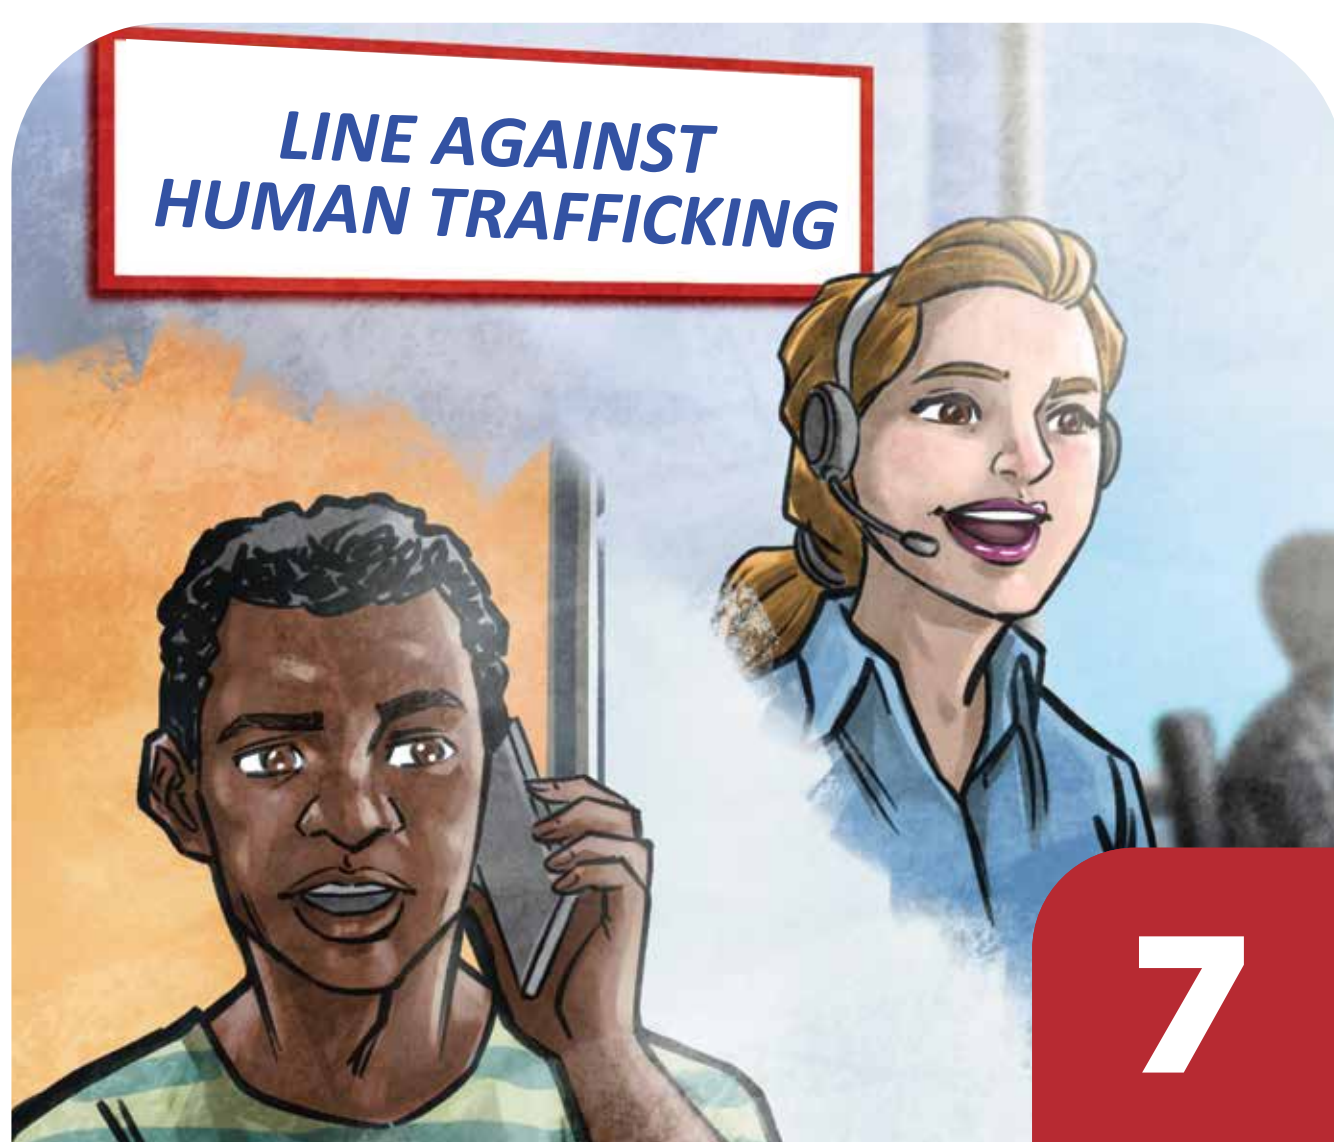

Be vigilant on who your children associate with: traffickers also take advantage of children and adolescents.

6

SHARE INFORMATION

Share your employer's contact information (name, place of work and telephone numbers) with your family or friends.

7

REPORT

In case of any warning signs, contact the colombian authorities.
